

## **Team Assignments--2011:**

Team Assignments indicate which area a team is responsible for heading up. Each team/assignment is responsible for making sure that the volunteers have all supplies required, volunteers are in place, and work with volunteer coordinator to fill empty slots. They should solicit names from team reps (listed on CCSL website) for their assigned task coordination, and submit their list to the Volunteer Coordinator for dissemination (via the meet management website).

**Meet Director:** HSC – Dave Brown – ([dhbrown.mail@gmail.com](mailto:dhbrown.mail@gmail.com))
