

**HSC - Meet Director:** Dave Brown ([dhbrown.mail@gmail.com](mailto:dhbrown.mail@gmail.com))

Pool directors are responsible for the conduct of competition in their pool. They resolve any matters regarding expeditious and fair conduct of the meet, including resolution of disputes between stroke judges, and rulings by stroke judges which may be appealed by a coach. If a pool director's decision does not resolve the situation, the next level of resolution is the League Meet Director. Beyond that is protest resolution by the League Vice-President.
